₹ 860.35 Cr Approved Under SBM-U 2.0 To Boost Urban Swachhata Infrastructure In West Bengal

By Odisha Diary Bureau — On Jun 27, 2024

MoHUA has approved proposals worth ₹ 860.35 Cr for West Bengal under SBM-U 2.0. During the first phase of SBM-U (2014-19) a total fund of ₹ 911.34 Cr was allocated to West Bengal which has been increased by 1.5 times to ₹ 1449.30 Cr in SBM-U 2.0 (2021-26).

The Ministry has been working closely with the State of West Bengal to achieve significant advancements in waste management and sanitation. There are 118 legacy waste dumpsites in West Bengal of which only 5% waste has been remediated. The Dhapa landfill, Kolkata's main municipal dumping ground since 1987, has been undergoing bio-mining and bioremediation, the methods chosen by the National Green Tribunal (NGT)

MoHUA Approves ₹860.35 Cr for West Bengal Under SBM-U 2.0

Ministry of Housing and Urban Affairs
Government of India

The Ministry of Housing and Urban Affairs (MoHUA) has approved proposals worth ₹860.35 crores for West Bengal under the Swachh Bharat Mission-Urban 2.0 (SBM-U 2.0). Compared to the ₹911.34 crores allocated during the first phase of SBM-U (2014-19), the funding has increased by 1.5 times to ₹1,449.30 crores for SBM-U 2.0 (2021-26).

The Ministry is collaborating closely with West Bengal to improve waste management and sanitation. Among the 118 legacy waste dumpsites in the state, only 5% of the waste has been remediated. The Dhapa landfill in Kolkata, the city's primary dumping ground since 1987, is undergoing bio-mining and bioremediation as per National Green Tribunal (NGT) guidelines, allowing the extraction of usable materials from the waste.
